Fast2sms Dashboard has been created

The screenshot displays the Fast2SMS dashboard. At the top, the header includes the Fast2SMS logo, 'Account Info' with a dropdown arrow, the time '08:57:10 PM', a notification bell, a user profile icon, and the name 'S SRIRAM N...' with a dropdown arrow. On the left, a sidebar shows a balance of '₹55.00' with an 'ADD CREDIT' button, and a menu with options: Bulk SMS, DLT SMS, Quick SMS, Address Book, Delivery Reports, Transactions, Dev API, and Settings. The main content area has two tabs: 'PROMOTIONAL' (selected) and 'SERVICE'. The 'PROMOTIONAL' tab contains a form with fields for 'Sender ID' (filled with 'FastSM'), 'Mobile Number' (filled with '+91'), and 'Message' (filled with 'Dearuseryourotp:'). There are buttons for 'CONTACT', 'LIST', 'EXCEL', and 'ENGLISH'. A footer note says '- Sent via ftwsms'. To the right, a 'FEATURES' section lists: 'For Marketing & Promotional SMS', 'No DLT Registration Required' (checked), 'Only for Non DND numbers' (person icon), 'SMS Delivery After Approval' (checked), 'Send SMS from 10 AM - 9 PM' (clock icon), and 'Personal SMS not allowed' (prohibited sign icon).
